Day 4

Use get to a friendly number to solve the problem.
Draw your answer on the number line.

1.   317 + 245 = _____

2.   628 + 113 = _____

3.   479 + 255 = _____

4.   359 + 364 = _____

5.   788 + 116 = _____

6.   369 + 526 = _____

Solve each problem by using get to a friendly number.
Show your work on the number line.

1. My little sister Sua counts sheep to help her fall asleep. On Saturday, she counted 289 sheep before she fell asleep. On Sunday, she counted 374 sheep before she fell asleep. How many sheep did Sua count total over the weekend?

Sua counted _____ sheep over the weekend.

2. Our family is going on our road trip to Toronto! On the first day of the road trip, we will drive 539 miles. On the second day of the road trip, we will drive the remaining 365 miles. How many total miles will we drive?

We will drive _____ miles total to get to Toronto.
